SUMMER ART FAIR GUIDE

Our pick of the best art and antique fairs around the world this summer

By Amy Sherlock

18 May 2023

The Treasure House Fair

Can this new offering fill the Masterpiece-shaped hole left in the London fair calendar by its surprise cancellation earlier this year? Founders Thomas Woodham-Smith and Harry Van der Hoorn certainly think so. Expect high quality offerings from many familiar names – and some less so.

From 22–26 June, Royal Hospital Chelsea, London. Details treasurehousefair.com
