Treasure House Fair

You'll find a collector's hoard of rare delights at this fair that takes place in the Royal Hospital Chelsea. Established by Thomas Woodham-Smith and Harry van der Hoorn, the co-founders of the original Masterpiece fair in 2009, Treasure House is a celebration of the outstanding and the rare. The art and antiques range from ancient to contemporary and are brought together by exhibitors and galleries from around the globe. [treasurehousefair.com](https://www.treasurehousefair.com)
